

## **Terms & Conditions of**

## **Application for School Roadshow**

1. Each school can submit the application for school roadshow through “Cherish Water Campus” Teacher’s Portal for Primary School.
2. Each roadshow shall last for about 45 minutes. The number of students participating in the school roadshow shall be at least 30 students.
3. The school should provide venue, computer and projector for the school roadshow.
4. Each school shall submit the application form at least 30 days in advance of the scheduled date. All applications will be processed on a first come, first served basis.
5. Each school can submit one application for school roadshow in every school year. Schools may apply for a maximum of two sessions in each application.
6. Successful application will be confirmed by email within one day. The school will be notified the date, time, language of the roadshow, students’ grade and number of students for the roadshow.
7. To cancel the application of school roadshow, the school shall contact Water Conservation Unit of Water Supplies Department (WSD) at least one week before the schedule date.
8. The highlights of the school roadshow may be posted to the WSD’s Water Conservation Website/publications.
9. WSD reserves all rights regarding this activity.
10. For enquiries, please contact Water Conservation Unit of WSD via email: [waterconservation@wsd.gov.hk](mailto:waterconservation@wsd.gov.hk).
