

Save Water Pledge

Paste your photo and write your name below. Let's pledge to save water!

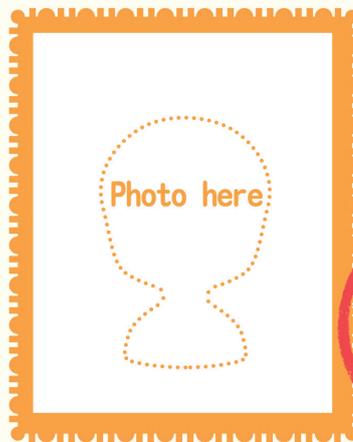

save Water Pledge

I pledge to save water every day and not waste it away.

I will do my best to save every drop I can.

Here is my plan!

- Do not play with water.
- Reduce shower time.
- Turn off the tap while brushing my teeth.
- Report a leaking tap to my family promptly.
- Remind my friends and family to save water.
