

Water Saving Tips

Restaurants:

1. Supply / refill water only on the customer's request.
2. Provide self-service drinking water station customers.
3. Provide the basic dining utensils and serve extra utensils only upon customers' request.
4. Replace bone plates and dining utensil only upon customers' request.
5. Display water saving notices to raise customers' awareness on water conservation.

Restrooms in Mall:

1. Inspect water mains regularly and rectify any leakage promptly.
2. Inspect water taps regularly and repair any dripping promptly.
3. Install automatic on / off sensors on water taps.
4. Install flow controllers on water taps to reduce water consumption.
5. Adopt dual flushing cisterns.

Customers:

1. Replace bone plates and dining utensils only when necessary.
2. Request water refills only when necessary.
3. Do not order excessive food. Avoid wasting food at a buffet. (To save virtual water of wasted food.)
